# President's Message

Welcome to our 64th season at The Curtain Club!

We have some superb plays ahead featuring four very fun comedies plus an exciting Canadian thriller. Over the years, thousands of people have been making The Curtain Club the successful theatre that it is. Thank you for being a part of our community and bringing along friends and family to enjoy our productions.

This summer, our Pave the Way project will result in a brand new parking lot that will be in place for September. Our current lot is at the end of its life and will be replaced at a cost of approximately $65,000. We ask that you consider giving a donation to "Pave the Way". When you complete your renewal form, just check off that line and add it to your subscription total.

In addition, this coming season we will be reviewing our HVAC system to ensure an optimal temperature for all, no matter where you sit in our theatre. This will certainly help create a better overall experience each time that you visit us, which is our ultimate goal.

Some of you may not be aware that we are a 100% volunteer organization. Everyone involved in any capacity from actors, backstage crew, set builders and front of house helpers are all volunteers. It is truly amazing to see the level of commitment our members exude considering that many of them have full-time jobs. I encourage you to consider joining our Club. Become a member, get involved and learn about theatre! The opportunities are endless not to mention the new friendships and fun that awaits.

On behalf of all the members, thank you for your continued patronage and support of The Curtain Club. We are very proud to be your community theatre!
